Local Area Educators—33 Percent Tuition Discount. Full-time teachers employed in Michigan and Indiana area schools who are not fully credentialed may receive a 33% reduction of tuition for undergraduate, Master of Arts in Teaching, and Master of Arts in Educational Administration courses taken toward the completion of their teacher certification requirements. Application for the tuition reduction can be obtained in the dean's office and must be completed no later than the first two weeks of each semester. The student must provide proof of area school employment. Students eligible for this reduction are not eligible to receive any other Andrews discounts or any other discretionary funds applied to the program receiving the 33% reduced tuition.

Workers from Overseas Divisions—Tuition Discount. “When any division other than the North American Division sends its workers or their dependent children to attend colleges in the North American Division and makes financial payments from denominational funds on behalf of such students directly to the college concerned, the college will match dollar for dollar with the sending division, up to 25% of undergraduate tuition. If the person also receives a Federal or State scholarship (or grant), the school may reduce this discount in direct proportion to the amount of such scholarship. Such remittance must come through the division and on approval of the division committee” (North American Division Working Policy, F 80 15).

Retiree Tuition Discount. A retired person who has reached age 65 may receive a 50% tuition discount for up to three undergraduate or graduate courses per year.

Former Andrews University employees who have retired may receive a 75% tuition discount. Admission to limited enrollment courses is contingent upon space available in the class, with preference being given to students paying regular tuition rates. Any additional class fees and/or supply fees are the responsibility of the student.

This discount applies to credit, audit, or non-credit classes. This discount does not apply to independent study, directed reading, private music lessons, practicums, clinical experiences, or any instruction outside of the normal classroom setting. Application for this 50% or 75% discount should be made to

the dean of the school involved. The dean then authorizes the appropriate discount.

Students eligible for this reduction are not eligible to receive any other Andrews discounts or discretionary funds.

GRADUATE FINANCIAL ASSISTANCE

Qualifying Criteria

For financial aid eligibility, graduate students must meet the rules in the following two areas:

Andrews Graduate Scholarship

New master's-level students or first-time graduate students in advanced programs (for two years only) accepted into programs which require a GRE (or GMAT) and have current GRE (or GMAT) scores at the time of enrollment are eligible. At their school's/department's/program's discretion, some master's-level students may be allowed to enroll for a maximum of one semester before taking the exam, in which case they must complete the exam prior to the start of the following term after initial enrollment in order to be eligible (required even if the student does not register for coursework that term). Scholarship money will not be applied retroactively to any coursework started prior to taking the exam.

The scholarship is a percentage of tuition and is awarded as follows:

Tuition Reduction	Combined Verbal and Quantitative GRE Score for Tests Taken Before August 1, 2011	Combined Verbal and Quantitative GRE Score for Tests Taken After August 1, 2011	GMAT Score (MBA students only)
10%	>1000	>297	>500
25%	>1200	>308	>550
50%	>1300	>314	>600

The scholarship will be awarded for the entire master's program but only while the student is in good standing. Students who are placed on academic probation will lose the scholarship for the remainder of the program. The scholarship will not be available for programs that have already discounted their tuition below the standard master's tuition rate, except where the scholarship is greater than the discount, then the difference will be awarded as a scholarship. The scholarship will be applied by the Office of Student Financial Services at the time of a student's registration.

Federal Aid

Students should read the General Information, p. 70, and Satisfactory Academic Progress sections, p. 78, to determine their eligibility for financial aid.

Federal Direct Loans are available to graduate students. To apply for this aid, refer to p. 70, General Information, and the Financial Aid Chart, p. 86.

Institutional Aid

Student Financial Services forms need not be completed for students to apply for the Andrews graduate grant or scholarship; students must apply directly to the graduate dean or department head of the school/program. All aid received by the student (except assistantships), however, is taken into account when determining eligibility for a student loan and a Michigan Tuition Grant.

Grants and Scholarships

Grant, scholarship, and assistantship funds are available through the offices of the various academic deans and department chairs.

Grants and scholarships are gift aid; however, if a student is given an assistantship, this is considered to be employment and is processed through the Office of Employment. Application forms, if required, must be requested from and returned to the respective dean's office. The student does not need to complete any application paperwork for Student Financial Services to apply for and receive institutional aid.

Education Majors' Debt-retirement Assistance. Education majors (K–12) who have had to borrow funds to finance their education may receive assistance in retiring the debt under a program cosponsored by the Lake Union Conference and the local conferences within the Union. As much as \$1,500 may be paid at the rate of \$500 during each of the first three years of teaching. Students should contact the Superintendent of Education of the conference or the principal of the academy in which they wish to teach.

Seminary Emergency Aid Fund. This emergency aid fund is available to seminary students for emergency relief only and is not a form of continuous financial aid. Students may apply for assistance through the seminary dean's office.

SAP Policy for Graduate Students with Financial Aid

Graduate students must meet the Andrews University Satisfactory Academic Progress (SAP) policy. The following minimum standards must be met for Federal and State financial aid purposes.

Students must maintain the minimum Andrews University graduate overall GPA required for the degree program in which they are enrolled. The SAP summary below indicates the minimum GPA required to meet the university's SAP policy for each type of degree program.

Degree	School	GPA	Maximum below B-
PhD, EdD	SED	3.30	3
PhD, ThD	SEM	3.00	3
DMin	SEM	3.00	No policy
DPT, DScPT	CAS	3.00	See <i>PT Student Handbook</i>
EdS	SED	3.20	3
Master's	All	3.00	4
Professional Master's	SEM	2.50	No policy

Compliance with these requirements is monitored by Student Financial Services on a regular basis. Students must complete at least two-thirds of the number of credits attempted, regardless of their enrollment status (full- or half-time), and maintain a 66% completion ratio. Exception may be made for courses whose requirements have a time-frame by design that extends beyond the limit of the semester in which it is registered.

Probation. Students who fail to meet the required SAP are placed on probationary status during the following semester. During the probationary semester, the student is eligible to receive financial aid as awarded. The student is allowed only one probationary semester for each degree program, except under extenuating circumstances. Academic performance during the probationary semester determines the aid given in the following semesters. If the student again meets the minimum required, the student is returned to satisfactory progress status and is eligible to continue receiving aid as awarded. Students who fail to attain satisfactory progress after the probationary semester are no longer eligible for Federal or State financial aid.

Appeal Procedure. When failure to attain the required GPA is due to extenuating circumstances or circumstances beyond the reasonable control of the student, he/she may appeal for an extension of probationary time limits. All master's-level students may be allowed a maximum of a one semester probation extension. Doctoral- and specialist-level students may be allowed a maximum of a two-semester probation extension. However, the student must make the appeal for the second probation extension in the same manner as for the first appeal. Students should recognize that appeals are not "automatically" granted. Future financial aid is dependent on meeting SAP standards by the end of the additional probationary semester(s). All appeals must be made in writing and submitted to the academic dean or appointed representative of the student's respective school. Proof must support the stated extenuating circumstances. The appropriate authorizing office sends written notification to Student Financial Services of the appeal details.
